

TEN THINGS EVERY CHILD WITH AUTISM WISHES YOU KNEW

- 1 I am a child with autism, I am not “autistic”
- 2 My sensory perceptions are disordered
- 3 Please remember to distinguish between won’t
(I choose not to) and can’t (I am not able to)
- 4 I am a concrete thinker. I interpret language literally
- 5 Be patient with my limited vocabulary
- 6 Because language is so difficult for me
- 7 Focus and build on what I can do rather than what I can’t do
- 8 Help me with social interactions
- 9 Try to identify what triggers my meltdowns
- 10 If you are a family member, please love me unconditionally

Angels sent from God
Unveiling themselves to the world
To unite us all
Influencing hearts minds and souls
Spreading compassion love and understanding
Making a difference in this misguided world
