# Independent auditors' report to the Board of Governors

We have audited the accompanying financial statements of Autism Society of Pakistan ("the Society") which comprise of the statement of financial positions as at June 30, 2016 and the income and expenditure account, the statement of comprehensive income, the statement of changes in fund balance and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

The Board of Governors is responsible for the preparation and fair presentation of these financial statements in accordance with the approved accounting standards as applicable in Pakistan, and for such internal control as the Board of Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the approved auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Society as at June 30, 2016, and its financial performance and its cash flows for the year then ended in accordance with the approved accounting standards as applicable in Pakistan.

Autism Society of Pakistan

6,324,697

# LEGAL STATUS AND OPERATIONS

Autism Society of Pakistan has been registered under The Societies Act, 1860 in Islamabad (Pakistan) under registration no. RS/ICT/694on 28 October 2010. Autism Society of Pakistan ("ASP" or "Society") has been established as a non-profit entity as a national umbrella organization with a focused mandate for advocacy, fund raising, training, research, and for generally creating awareness about Autism in Pakistan. It is initially setting-up an Autism Resource Centre ("ARC") in Rawalpindi and later replicate such chapters in all major cities of Pakistan in collaboration with concerned parents and sponsors. A dedicated group of people (primarily affected parents) in Pakistan and abroad have formed a focus group to take this public initiative forward.

#### 2 BASIS OF PREPARATION

# 2.1 Statement of Compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984.

#### 2.2 Basis of measurement

The financial statements have been prepared under the historical cost convention.

# 2.3 Functional and presentation currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Society operates. The financial statements are presented in Pakistan Rupees (PKR), which is the Society's functional and presentation currency. Figures have been rounded off to the nearest rupee, unless otherwise stated.

## 2.4 Use of estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods. Judgments made by management in the application of approved accounting standards that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in the ensuing paragraphs.

# 2.4.1 Property and equipment

The Society reviews useful lives and residual value of property and equipment on a regular basis. Any change in estimates in future years might affect the carrying amounts of the respective items of property and equipment's with a corresponding effect on the depreciation charge and impairment.

#### 2.4.2 Impairment of assets

The carrying amounts of the Society's assets are reviewed at each year end to determine whether there is any indication of impairment loss. Any change in estimates in future years might affect the carrying amounts of respective assets with a corresponding effect on depreciation / amortization charge and impairment.

#### 2.4.3 Provisions and contingencies

The Society reviews the status of all the legal cases on a regular basis. Based on the expected outcome and lawyers' judgments, appropriate disclosure or provision is made.

#### 2.4.4 Taxation

The Society takes into account the current income tax laws and decisions taken by appellate authorities. Instances where the Society's view differs from that taken by the income tax department at the assessment stage and where the Society considers that its view on items of material nature is in accordance with law, the amounts are shown as contingent liabilities.

# 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 Grant

#### Restricted grant

Grant received for specific purposes are classified as restricted grant. Such grant are transferred to income to the extent of actual expenditure incurred there against. Unspent portion of such grant are reflected as restricted grant in the statement of financial position.

# Deferred capital grant

Grant received for purchase of property and equipment is recorded as deferred capital grant. This is amortized into income on a systematic basis over the periods necessary to match with carrying value of the related assets. Assets received against which no grant is received or no consideration is paid is considered as grant in kind and recorded at fair value. Grant in kind is also deferred and amortized into income on a systematic basis over the periods necessary to match with carrying value of related assets.

#### Unrestricted grant

An unconditional grant is recognized as income when the grant is received.

## 3.2 Income from student assessment and tuition fee

Tuition and student assessment fee is recognized as income when the related services are provided to the students.

#### 3.3 Property and equipment

Property and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Cost in relation to property and equipment comprises acquisition and other directly attributable costs.

Depreciation is recognized in income and expenditure account on straight line method over the estimated useful life of each part of an item of property and equipment at rates given in note 4 to these financial statements. Depreciation on additions to property and equipment is charged from the month in which property and equipment is acquired or capitalized while no depreciation is charged for the month in which property and equipment is disposed off / derecognized.

The cost of replacing part of an item of property and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Society and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of property and equipment are recognized in income and expenditure account as incurred.

Gain or loss on disposal of an item of property and equipment is determined by comparing the proceeds from disposal with the carrying amount of property and equipment and is recognized in income and expenditure account.

#### 3.4 Intangible assets

Intangible assets are stated at cost less accumulated amortization and accumulated impairment losses, if any. The Society charges amortization on all additions from the month in which an asset is acquired or capitalized up to the month in which the asset is disposed off.

Author Society of Panistan

# AUTISM SOCIETY OF PAKISTAN NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED JUNE 30, 2016

#### 3.5 Foreign currency transactions

Transactions in foreign currencies are translated into functional currency at exchange rates at the date of transaction. Monetary assets and liabilities denominated in foreign currencies at year end are translated to the functional currency at the exchange rates at that date. Exchange differences are included in the income and expenditure account.

#### 3.6 Financial assets

Financial assets of the Society fall under loan and receivables.

#### 3.6.1 Financial assets at fair value through profit and loss

Financial assets at fair value through profit and loss are financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit and loss. A financial asset is classified as held for trading if acquired principally for the purpose of selling in the short term. Assets in this category are classified as current assets. Assets in this category are measured at fair value with gains or losses recognized in income and expenditure account.

#### 3.6.2 Loans and receivables

Loans and receivable are non-derivative financial assets with fixed and determinable payments that are not quoted in an active market. Loan and receivables include deposits, short term investments and cash and bank balances. After initial recognition these are measured at amortized cost using the effective interest method less provision for impairment.

#### 3.7 Financial liabilities

The Society's financial liabilities comprise of trade & other payables.

#### 3.7.1 Trade and others payables

Liabilities for trade and other amounts payable are initially recognized at fair value less any directly attributable transaction cost. Subsequent to initial recognition, these are measured at amortized cost using effective interest method.

#### 3.8 Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position if the Society has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

#### 3.9 Provisions

A provision is recognized in the financial statements when the Society has a legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

#### 3.10 Taxation

The Society is registered as not for profit organization under section 2(36) the Income Tax Ordinance, 2001. The Society is eligible for tax credit under Section 100C of the Income Tax Ordinance 2001 from donations, voluntary contributions, subscriptions and so much of the income chargeable under the head "income from business" as is expanded in Pakistan for the purposes of carrying out welfare activities.

# 3.11 Impairment

#### 3.11.1 Non-financial assets

The carrying amounts of the Society's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognized if the carrying amount of an asset exceeds its recoverable. The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses are recognized in income and expenditure account.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

#### 3.11.2 Financial assets

All financial assets are assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset, and that loss event(s) had an impact on the estimated future cash flows of that asset and that can be estimated reliably.

Objective evidence that financial assets are impaired includes significant financial difficulty of the obligor, a breach of contract such as default or delinquency in interest or principal payments, its becoming probable that borrower will enter bankruptcy or other financial reorganization, the disappearance of an active market for that financial asset because of financial difficulties.

The Society considers evidence of impairment for financial assets measured at amortized cost at both a specific asset and collective level. All individually significant assets are assessed for specific impairment. Those found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Assets that are not individually significant are collectively assessed for impairment by grouping together assets with similar risk characteristics.

In assessing collective impairment, the Society uses historical trends of the probability of default, the timing of recoveries and the amount of loss incurred, adjusted for management's judgment as to whether current economic and credit conditions are such that the actual losses are likely to be greater or lesser than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference

# 3.12 New accounting standards, interpretations and amendments

During the year certain amendments to standards or new interpretations became effective, however, the amendments or interpretations did not have any material effect on these financial statements.

The following revised standards and amendments and interpretations to the approved accounting standards, as applicable in Pakistan, would be effective from the dates mentioned below against the respective standard.

Effective date (annual periods beginning on or

The management anticipates that the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than the impact on presentation/disclosures. The Society is yet to assess the full impact of the amendments.

Further, the following new standards and interpretations have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan (SECP), for the purpose of their applicability in Pakistan:

| IFRS 1  | First-time Adoption of International Financial Reporting |  |  |  |  |  |  |  |
|---|--|--|--|--|--|--|--|--|
| IFRS 9  | Financial Instruments                                    |  |  |  |  |  |  |  |

# 13 FINANCIAL RISK MANAGEMENT

The Society has exposures to the following risks from its use of financial instruments:

Credit risk

Liquidity risk

Market risk

This note presents information about the Society's exposure to each of the above risks, the Society's objectives, policies and processes for measuring and managing risk, and the Society's management of fund. Further quantitative disclosures are included throughout these financial statements.

The Board of Governors has overall responsibility for the establishment and oversight of the Society's risk management framework. The Board is responsible for developing and monitoring the Society's risk management policies.

The Society's risk management policies are established to identify and analyze the risks being faced by the Society, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Society's activities. The Society, through its training, management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

#### 13.1 Credit risk

Credit risk is the risk of financial loss to the Society if a customer or counterparty to a financial instrument fails to meet its contractual obligations. To manage credit risk the Society maintains procedures covering the application for credit approvals, granting and renewal of counterparty limits and monitoring of exposures against these limits. As part of these processes the financial viability of all counterparties is regularly monitored and assessed.

## Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

|                        | 2016       | 2015      |
|------------------------|------------|-----------|
|                        | Rupe       | es        |
| Short term investment  | 7,302,447  | 6,962,769 |
| Cash and bank balances | 6,324,697  | 1,784,650 |
|                        | 13,627,144 | 8,747,419 |
|                        |            |           |

Geographically there is no concentration of credit risk.

## 13.2 Liquidity Risk

Liquidity risk is the risk that the Society will not be able to meet its financial obligations as they fall due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, prudent fund management practices and the ability to close out market positions due to dynamic nature of the business. The Society's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Society's reputation.

Autism Society of Pakistan

0046

2015

The maturity profile of the Society's financial liabilities based on the contractual amounts is as follows:

|  |      | Carrying<br>amount | Contractual cash flows | Maturity up | Maturity after one year and up to five years |  |
|--|------|--------------------|------------------------|-------------|--|--|
|  |      | Rupees             |                        |             |  |  |

| 2015   | _    | 344,333            | 344,333                | 344,333     | _  |  |

#### 13.3 Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Society's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk.

#### 13.3.1 Interest rate risk

The interest rate risk is the risk that the fair value or the future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

# 13.3.2 Exposure to currency risk

The Society is not exposed to currency risk as it has no transactions in foreign currency.

# 13.3.3 Other market price risk

The primary goal of the Society's investment strategy is to maximize investment returns on surplus funds.

# 13.4 Fair value of financial assets and liabilities

The fair values of financial assets and liabilities, together with the carrying amounts shown in the statement of financial position, are as follows:

|      | 2016            |  | 2015  |  |
|------|-----------------|--|---|--|
|      | Carrying amount | Fair value   | Carrying amount   | Fair value   |

# 13.5 Determination of fair values

A number of the Society's accounting policies and disclosures require the determination of fair value, for both financial and non-financial assets and liabilities. Fair values have been determined for measurement and / or disclosure purposes based on the following methods.

#### Non - derivative financial assets

The fair value of non-derivative financial assets is estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. This fair value is determined for disclosure

#### Non-derivative financial liabilities

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

#### 14 FUND MANAGEMENT

The Society's objective when managing fund is to safe guard Society's ability to continue as a going concern so that it can achieve its objectives, provide benefits to other stakeholders and to maintain a strong fund base to support the sustained development of its activities in line with its objects.

# 15 RELATED PARTY TRANSACTIONS

All the governors, entities with common govern ship and key management personnel are related parties of the Society. Transaction of the Society with related parties during the year are as follows:

|   | 2016    | 2015    |
|---|---------|---------|
|   | Rupees  |         |
| Transaction with key management personnel |         |         |
| Managerial remuneration                   | 901,600 | 756,000 |

# 16 DATE OF AUTHORIZATION

These financial statements were authorized for issue on November 23, 2016 by the Governors of the Society.
